

B.B. Bubbles

B.B. Bubbles is a dainty addition to the Pizza Time Theatre lineup of really **big** stars. She will delight young and old alike with her saucy, sometimes sultry selection of songs.

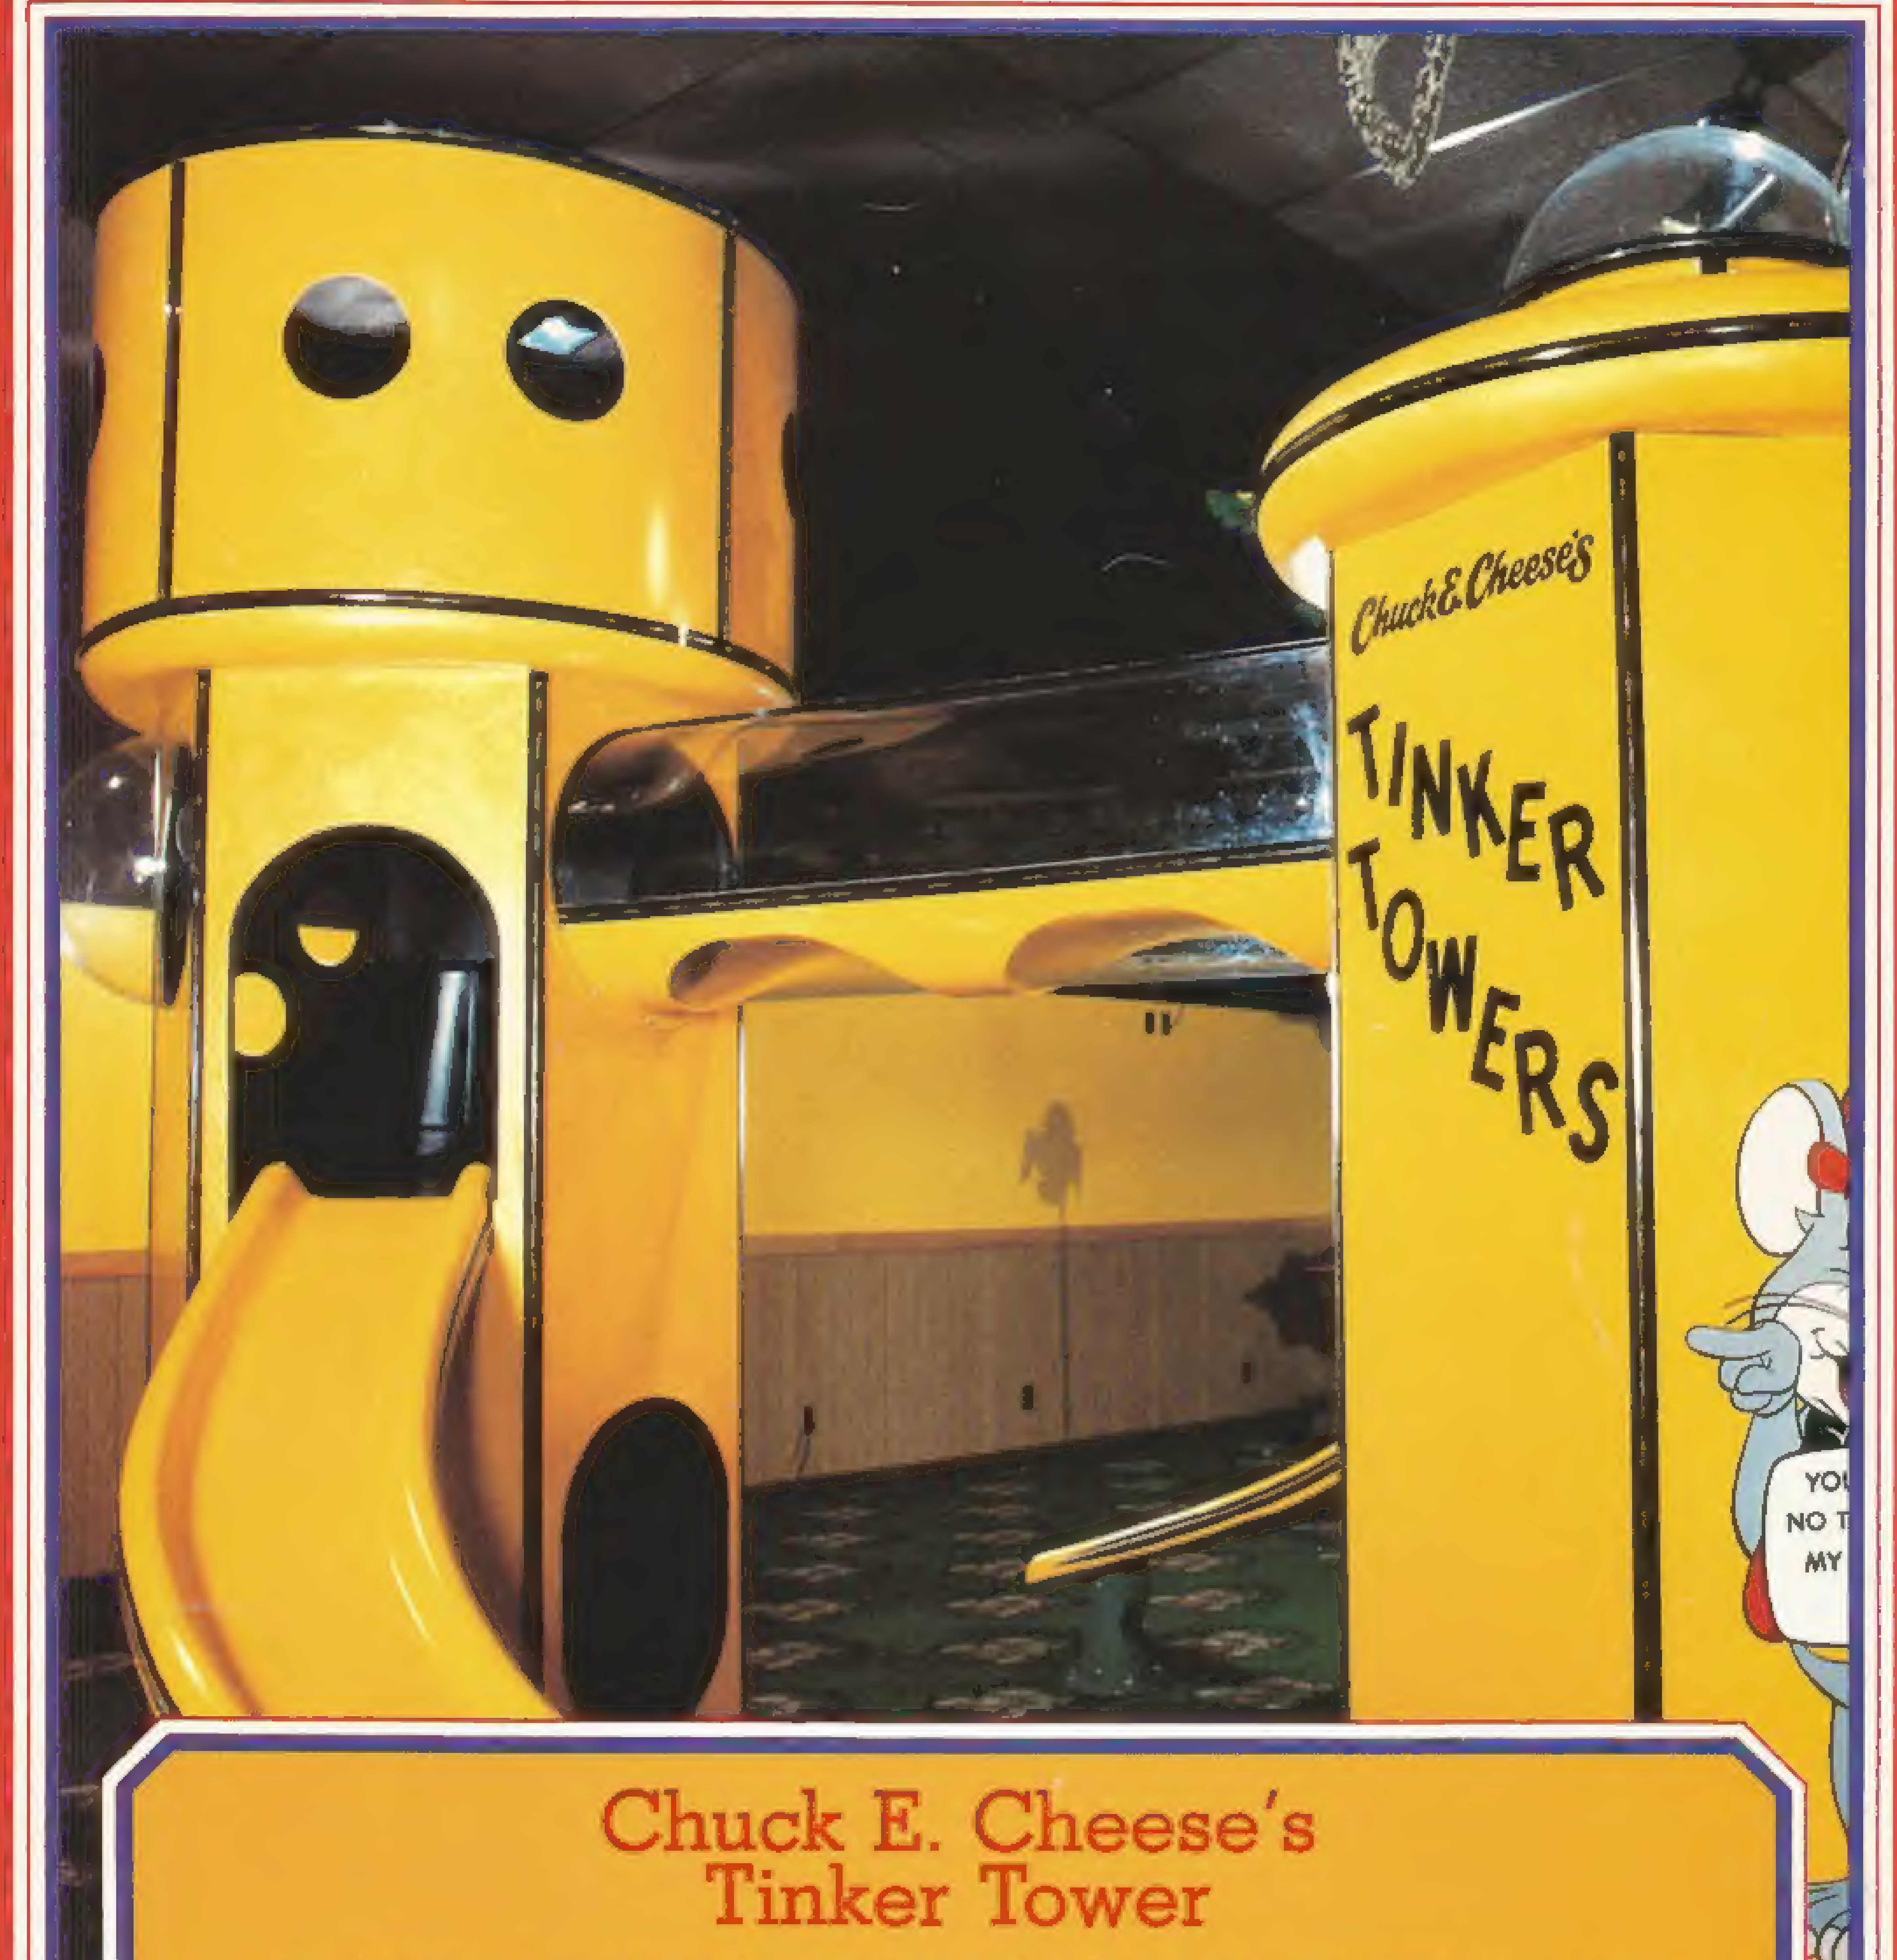

- May be a cosmetic change on a standard cabaret character.
- May be purchased as a complete installation package.
- Bubble machine option available.

The Beach Bowzers

The Beach Bowzers bring some of America's best-loved popular music to Pizza Time Theatres... happy songs about surf, sun, and fun. The whole family can enjoy an endless summer of song... with The Beach Bowzers.

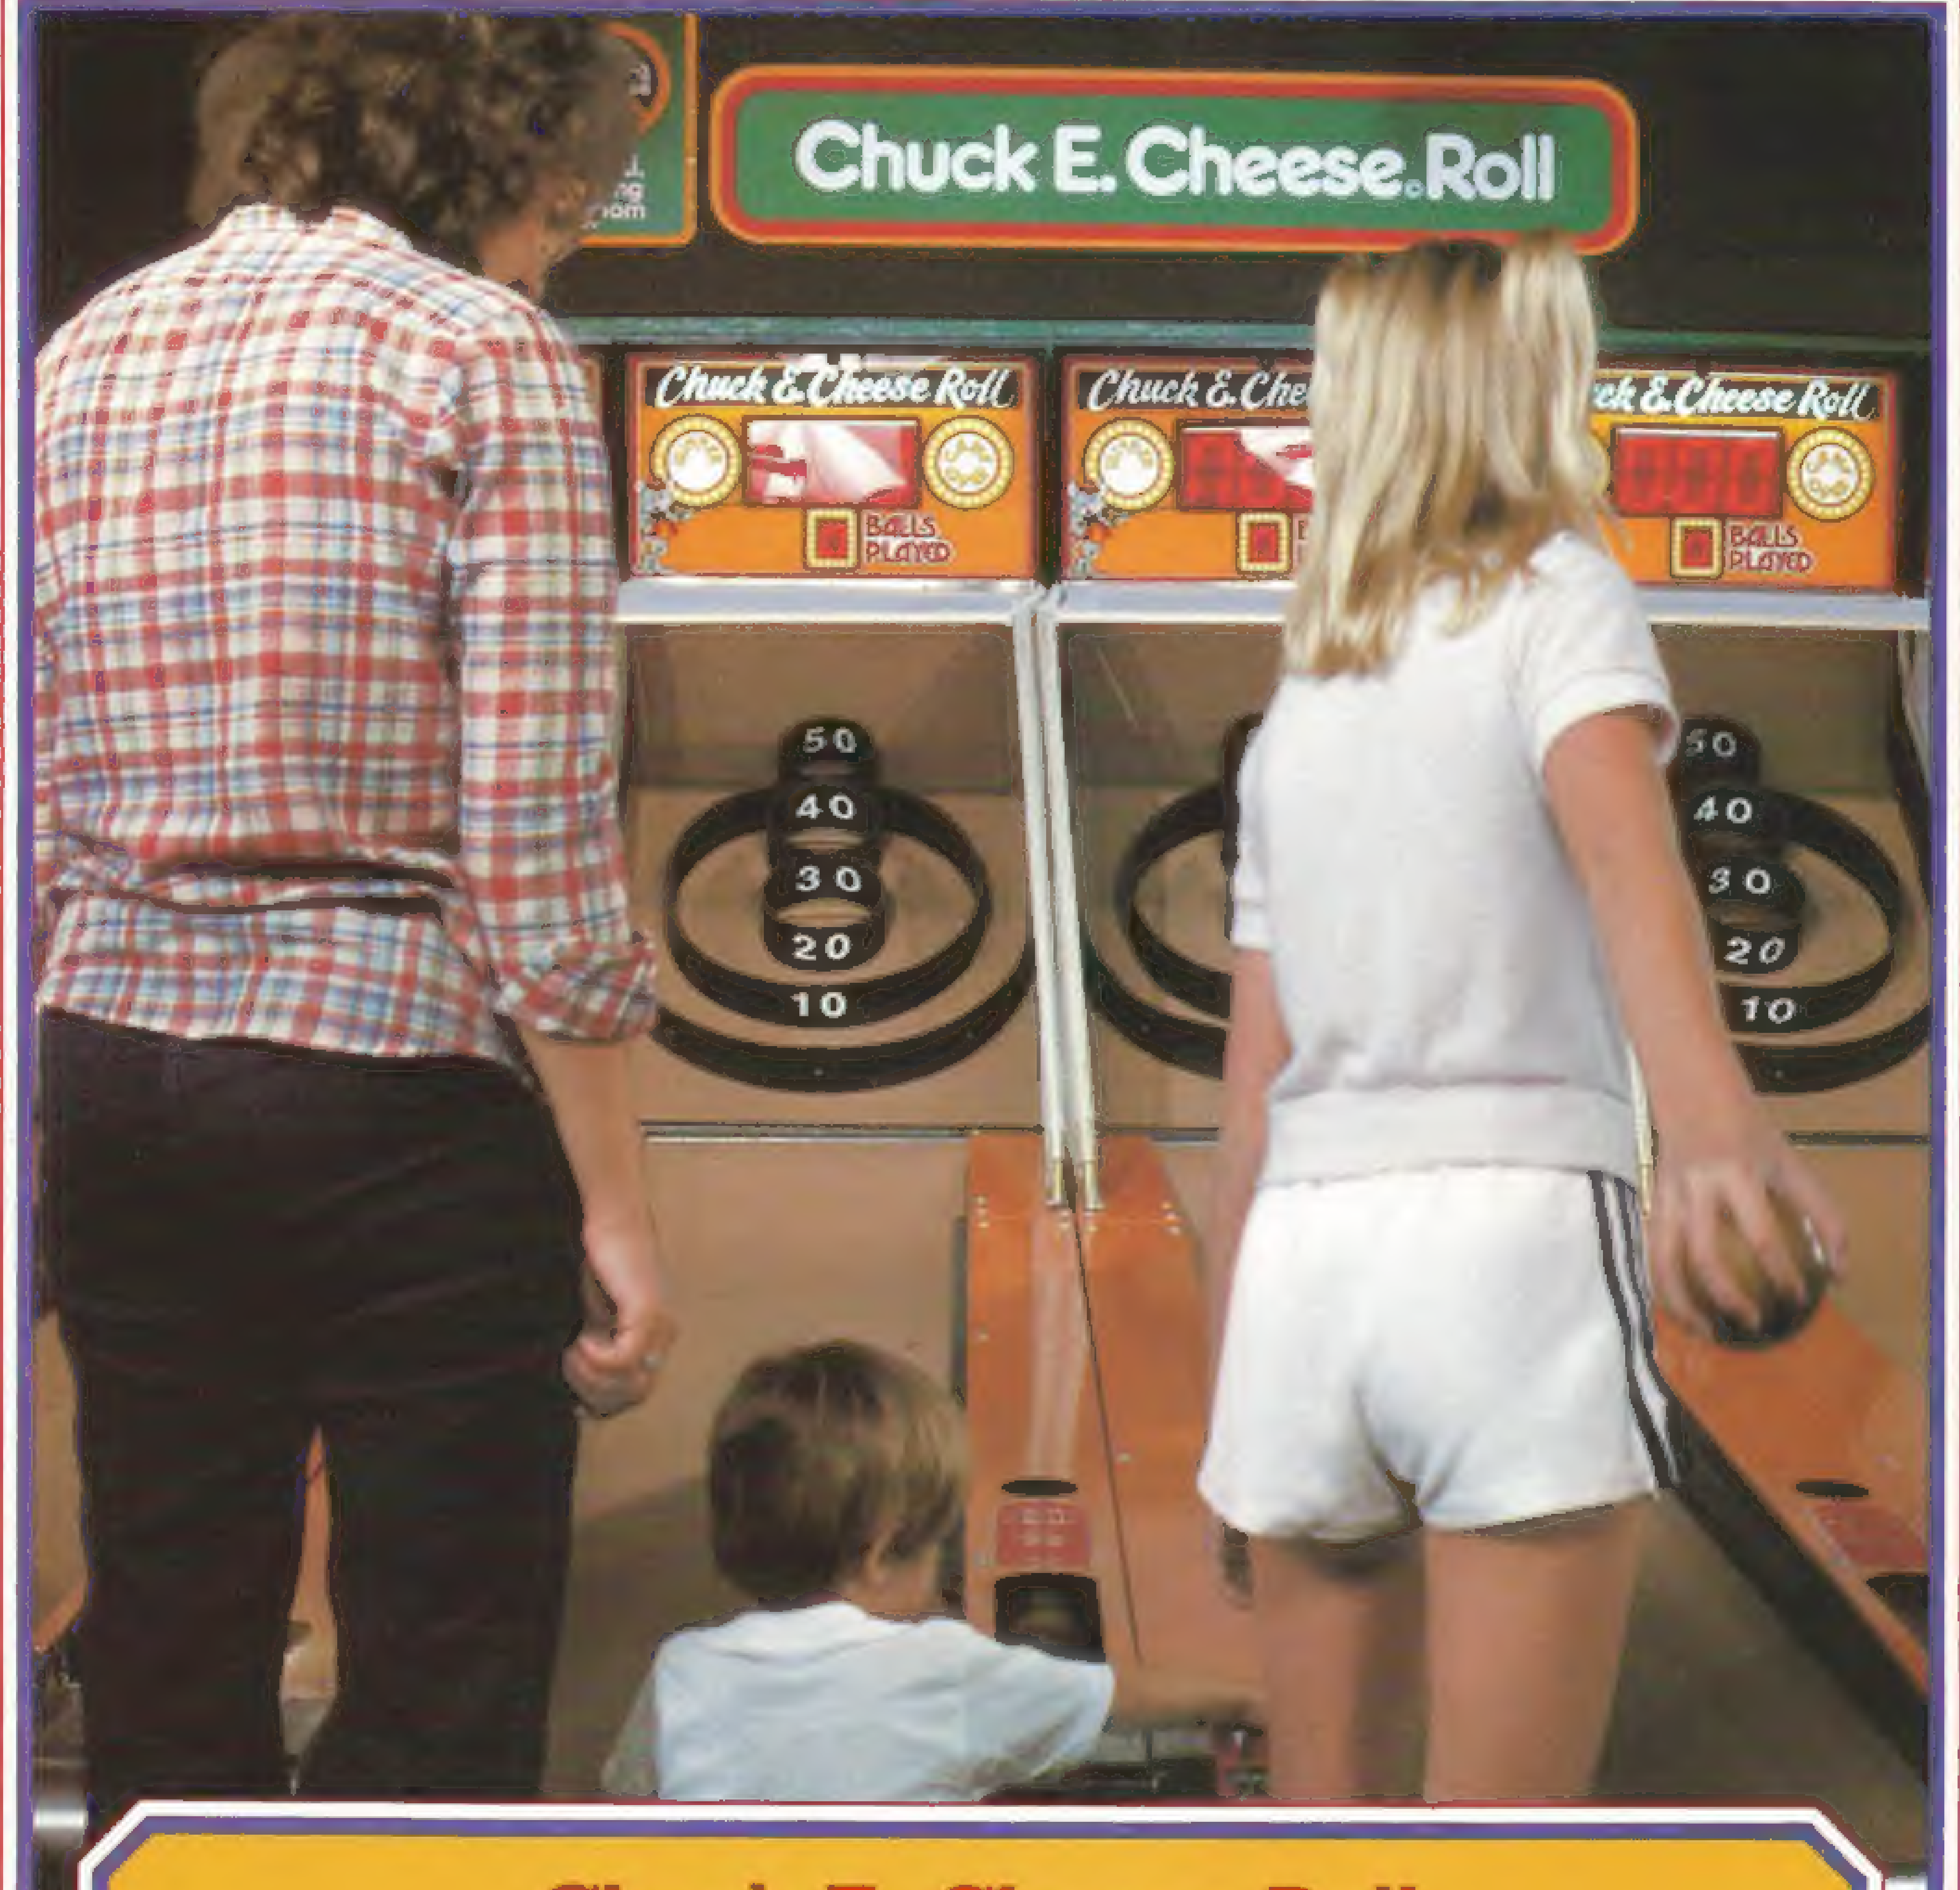

- May be a cosmetic change on the standard Beagles characters.
- May be purchased as a complete installation package.

Chuck E. Cheese's Tinker Tower

Two striking yellow gel-kote fiberglass towers rise 12 feet and are connected by a clear plastic crawl tube. Each tower has a four foot high curved slide. Comes complete with its own sound system featuring circus music and bright, happy chaser lights for maximum visibility. Great for little kids.

- Additional towers and tubes can be added.
- Permanent, no maintenance, yellow color.
- Modular design, easy installation.
- Requires 110 volts.

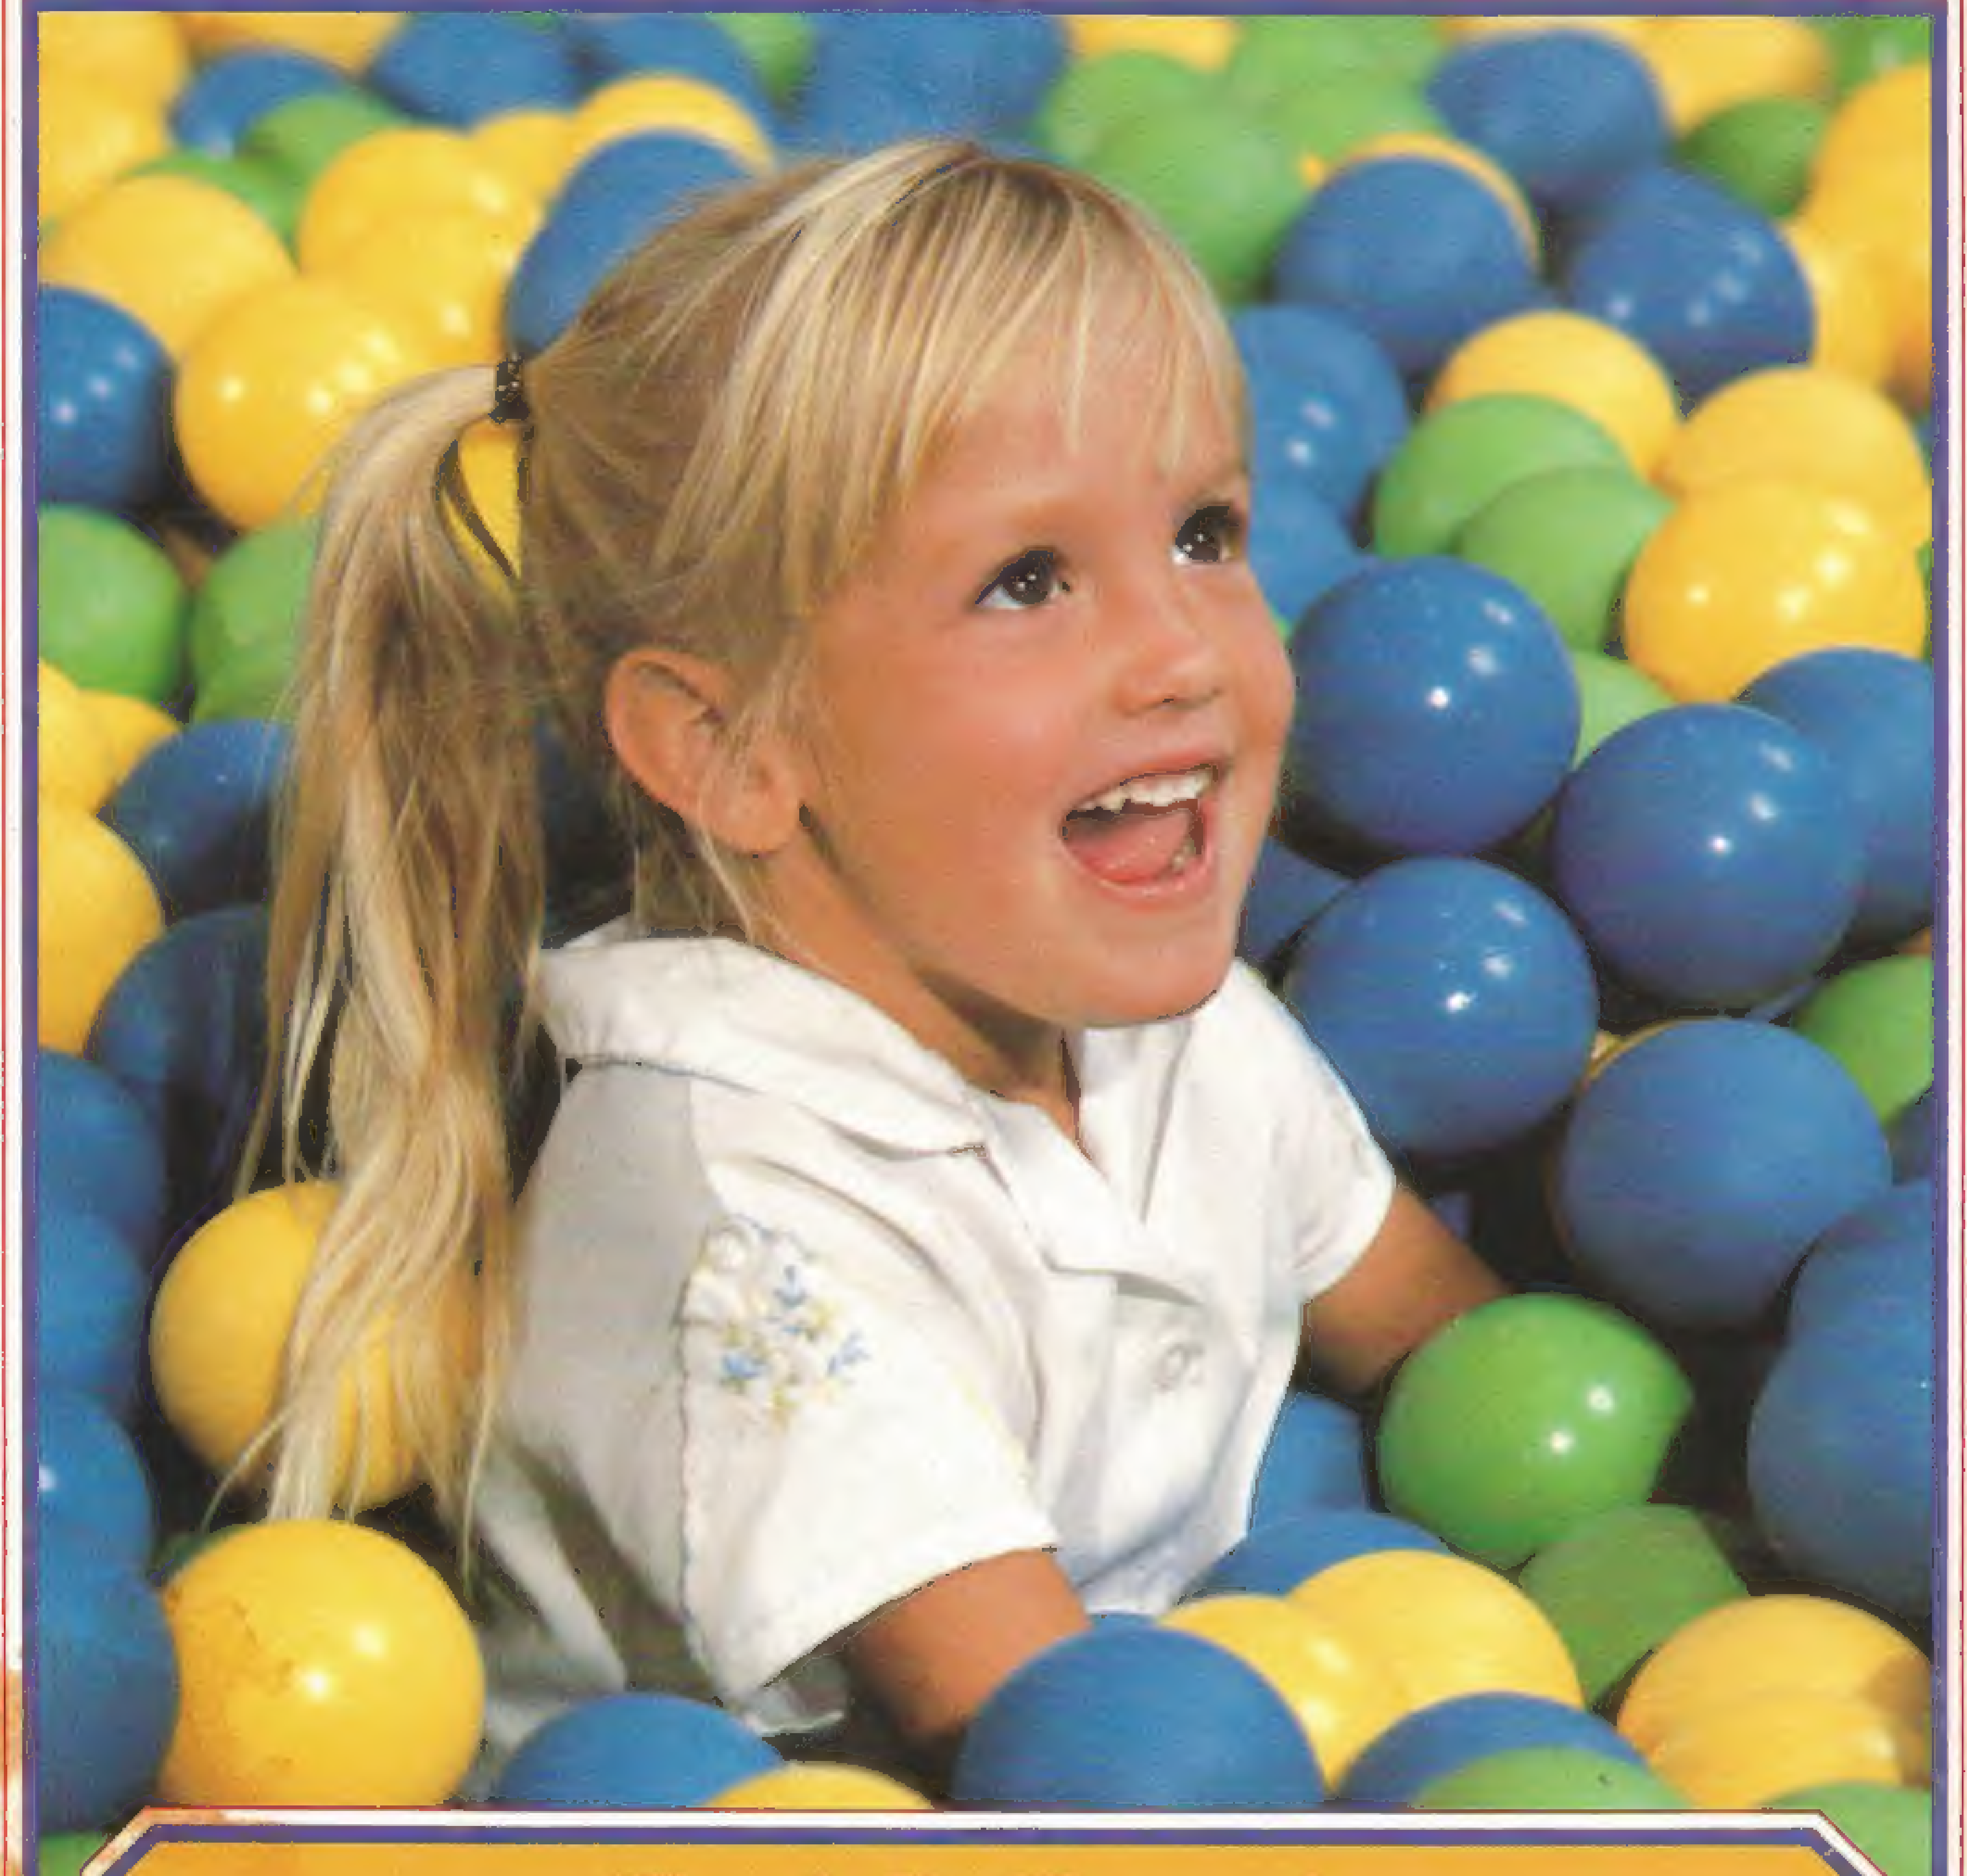

Chuck E. Cheese Roll

Bright graphics and nine colored balls make this "bowling type" game great for action fun. Get the ball in the 50 point hole and ring the bell. A digital display lets everyone know the score. High scores win Chuck E. Cheese tickets which can be redeemed for prizes.

- Sturdy design and easy maintenance access.
- Easy cleaning surface.
- Large ticket storage with empty warning light.
- Custom Chuck E. Cheese graphics.
- Game colors are coordinated with Pizza Time Theatre interior designs.
- Requires 110 volts.

Soda Pop Stop
Jasper's Soda Pop Stop
This clever device is designed to raise soft drink sales. Encourages patrons to buy extra drinks during their meal. A 12-ounce cup travels along a conveyor belt making stops for crushed ice and any one of six different beverages. Bright, moving graphics and the unique soft drink "show" make Jasper's Soda Pop Stop a real crowd pleaser.
• Dispenses soft drinks at a rate of 3-per-minute minimum.
• Allows guests to purchase additional beverages instead of returning to bar.
• Entertains guests before and after purchase.
• Needs only 6′ high, 6′ wide, & 3′ deep.
• Requires two 20-amp circuits, water, air, and drain.

Chuck E. Cheese's Play-N-Place

Play-N-Place is a new concept in indoor amusement. As many as 12 different fun activities for children 2 through 8 surround an elevated observation platform for parents. All of the attractions have been designed for maximum safety. The new Play-N-Place will add consumer demand and customer satisfaction to your restaurant.

- Fills year-round demand for children's entertainment.
- Coin operated turnstile.
- Bright colorful walls and trim.
- Available in three sizes: 32′ x 50′... 40′ x 60′... 50′ x 70′.
- Requires 110 volts.

Character Carousel
This simple four armed merry-go-round goes round and round at the drop of a token. Comes in two models... one extra slow with bucket swing sets for the tiny tots and a slightly faster model with bars and rings for the older kids. A loading platform makes getting on and off easy. Colorful panels show the Pizza Time Theatre characters.
• Safety clutch for easy loading and unloading.
• Heavy duty motor.
• Continuous merry-go-round music.
• Needs space of only 10′ high, 14′ wide, & 14′ deep.

- Additional cartoon video discs are available.
- Needs only 72" high, 40" wide, & 48" deep.
- Requires 110 volts.

Munch, The Trash Eater

Our purple pizza eater encourages patrons to clear their own tables. Mr. Munch opens his mouth to accept food scraps and waste paper but won't allow glassware. Slots receive pizza pans, salad plates, and trays, then awards tokens. Designed for easy access and cleanup. Roll away cart holds up to 50 trays.

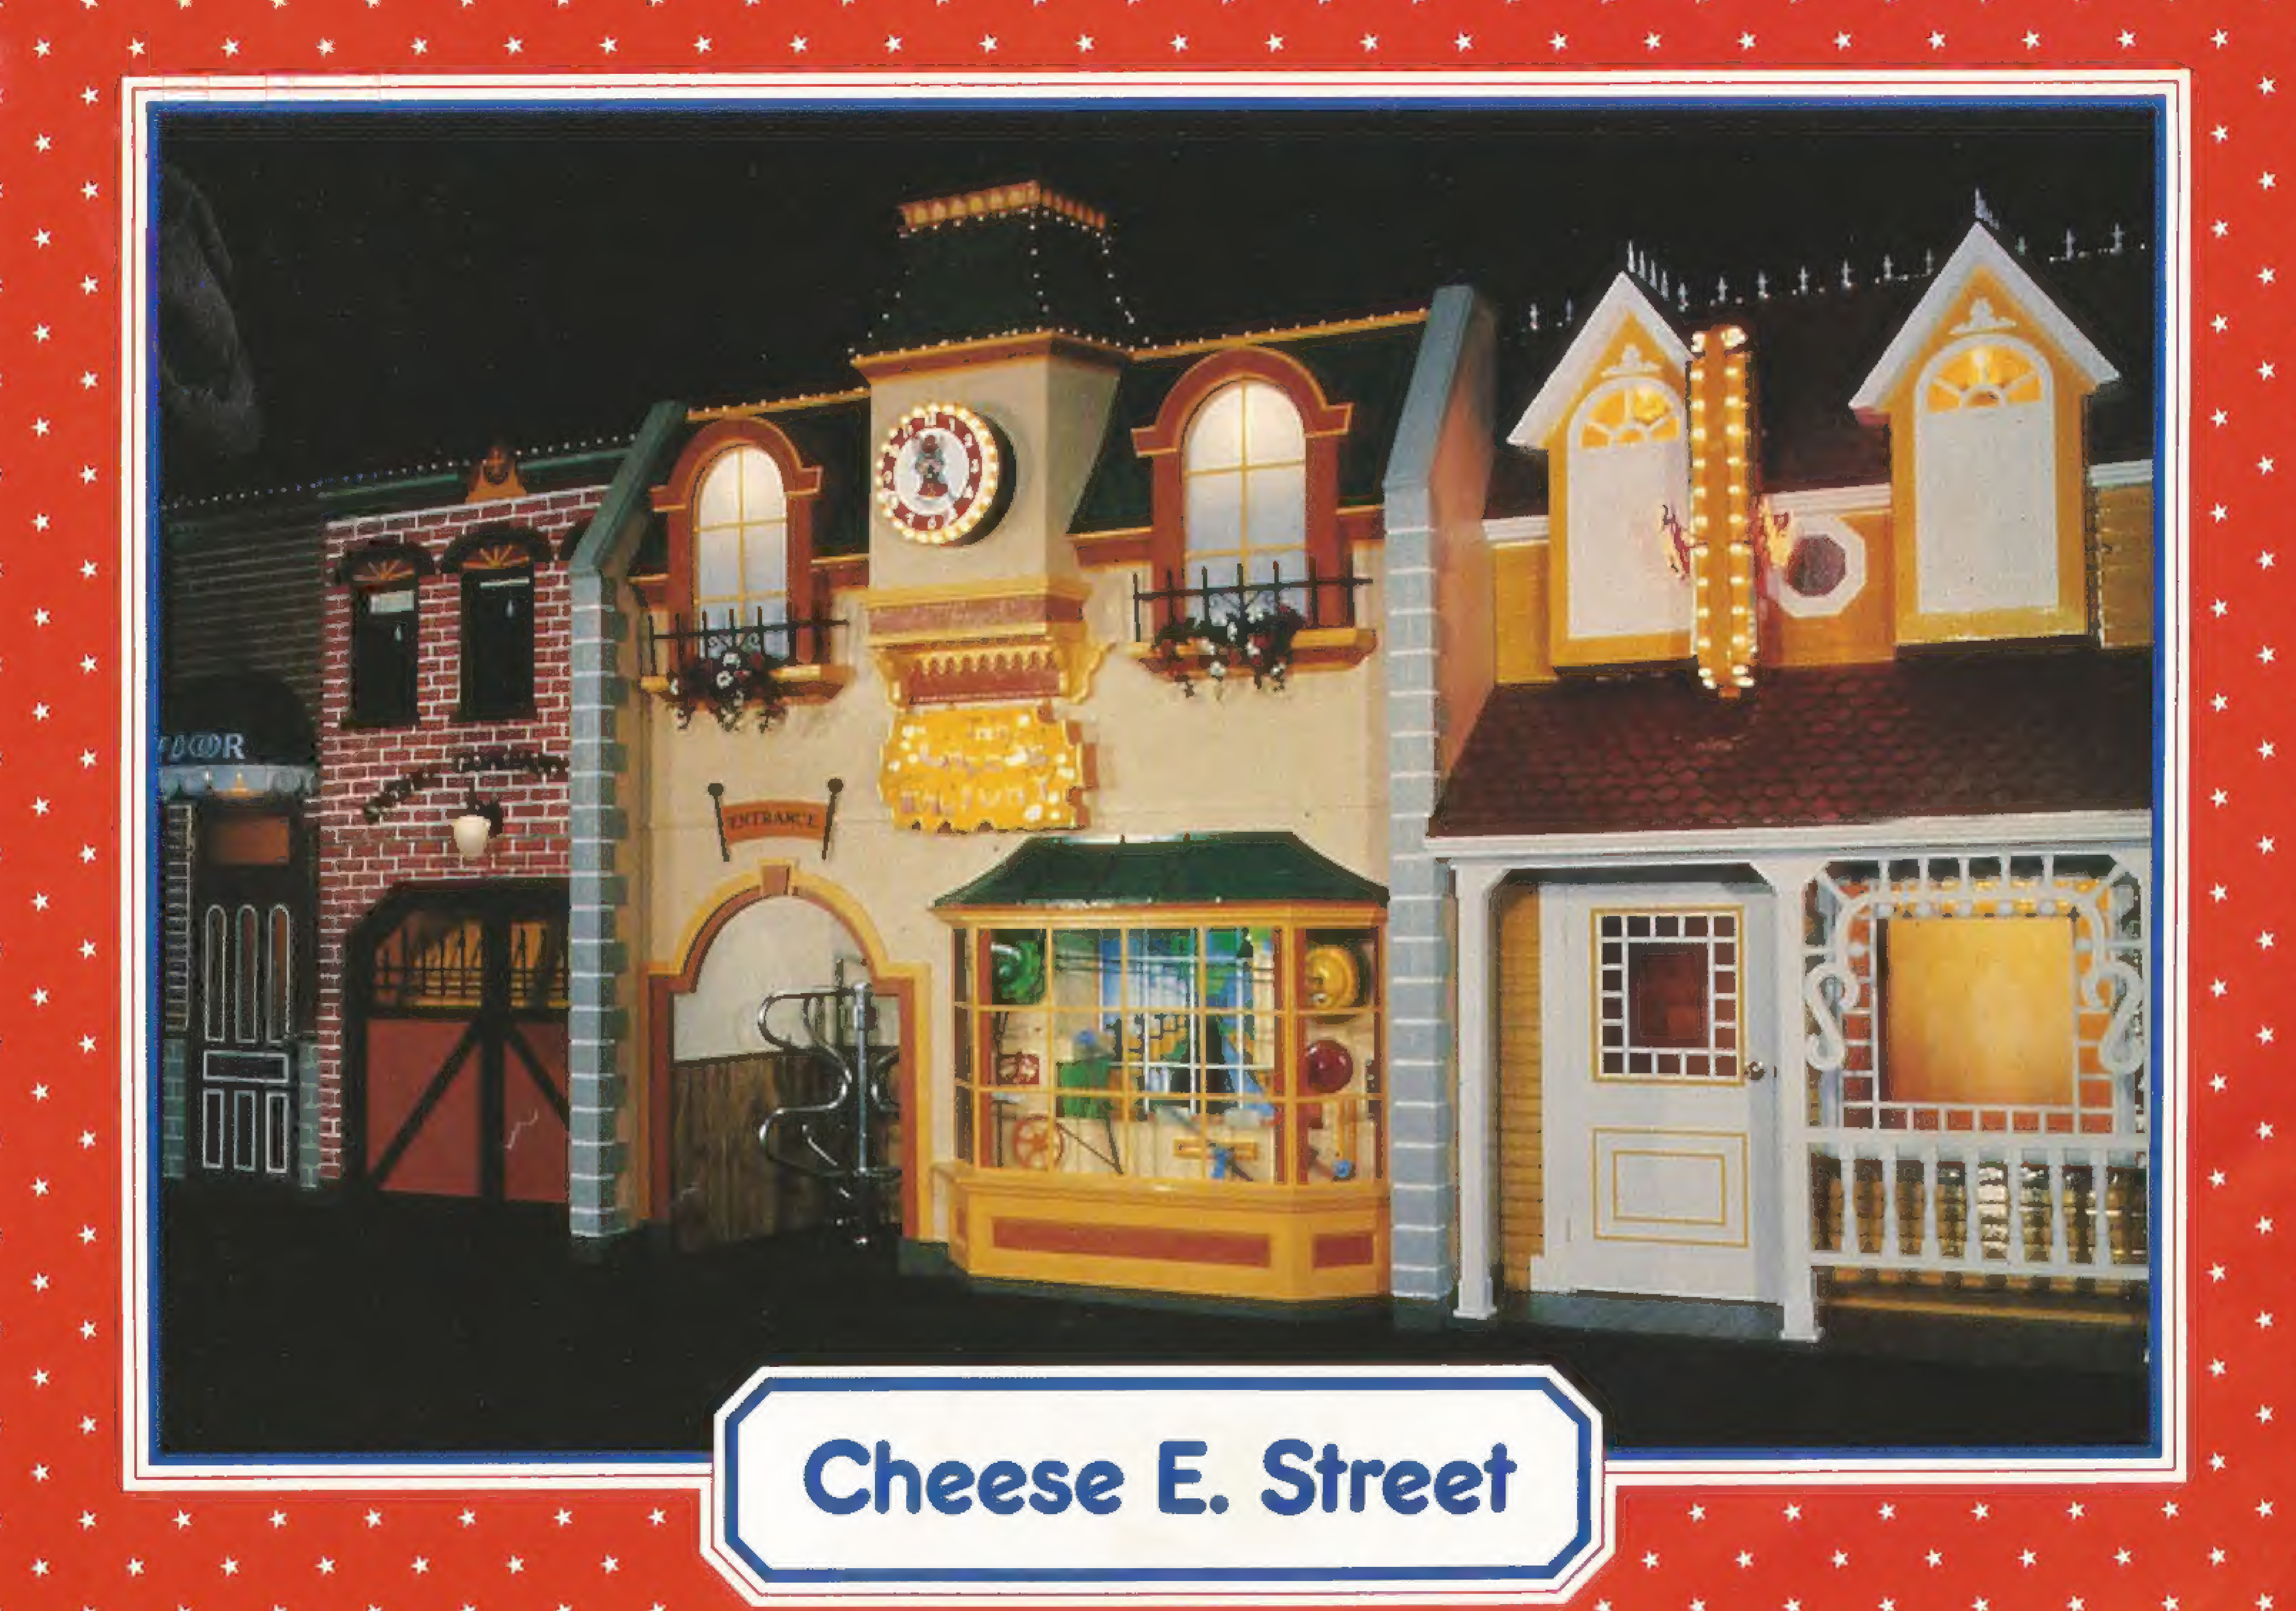

- Lowers labor requirements to bus tables.
- Optional trash compactor available.
- Needs space of only 6' high, 5' wide, & 3' deep.
- Requires 110 volts and air.

Cheese E. Street

Cheese E. Street is one of our most exciting projects ever. The colorful store front facade is visually striking. A clever animated display runs in the Cheese Factory window. Children enter through a coin operated turnstile and can play inside on spiral and tube slides, a rotating barrel of fun and three levels of climb and crawl ladders, stairs, and passages.

- No labor required for operation.
- Coin operated turnstile.
- Creates fantasy environment in restaurant.
- Pre-fab modular units for easy onsite assembly.
- Continual playing exterior music.
- Needs space of only 12′ to 15′ high, 32′ wide, & 20′ deep.
